

Interpretive Programs at the Riverbank Discovery Centre

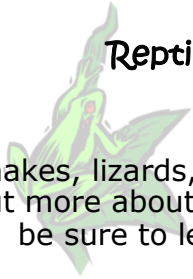

Brought to you by Brandon Riverbank Inc.

Reptiles & Amphibians

All Ages

Snakes, lizards, frogs...sound creepy? Find out more about these animals and you will be sure to leave appreciating them!

Eco-Games

Kindergarten – Grade 6

A collection of games designed to further our understanding of a wetland ecosystem.

Beaver Tales

All Ages

Webbed feet, big teeth, flat tail! Learn the adaptations that allow beavers to survive the Manitoba climate.

Spiders

Preschool – Grade 4

Spiders are fascinating acrobats that weave beautiful works of art and they're a lot of fun to learn about too!

Wacky Weather

All Ages

Preschool to Grade 2 will discover what makes it rain or shine. Grade 3 and up will learn the mysteries of our wacky weather.

Endangered Species

Grade 2 - Grade 6

From endangered to extinct, students will learn what plants and animals are at risk in Canada.

Project Wet

All Ages

Come and learn all about one of our most valuable resources—WATER! Discuss water properties, pollution and protection.

Birding 101

All Ages

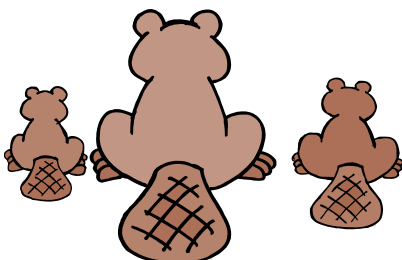

Learn about the birds of the area. What they eat, how they nest and observe them in flight.

Plant Ecology

All Ages

Plants are fun! Learn all about plant parts, how seeds travel and some of their many neat adaptations and facts!

For more information about our programs or to register your group, please contact Whitney Moir at 204-729-2129 or email whitney@riverbank.mb.ca. The cost for two programs (1 hour each) is \$2.50/child, there is no cost to teachers, chaperones or parents.
